This is to certify that the above referenced application underwent Intergovernmental Review in compliance with Federal Executive Order # 12372 and 5 MRSA Subsection 3305 Subsection S1 (J.K.).

Even though this proposal has undergone the Intergovernmental Review process, the applicant is still responsible for meeting the requirements of all other federal, state or local laws and authorities applicable to the proposed project. All proposals involving construction should obtain an advisory opinion from the Maine Department of Environmental Protection (207-287-7688) or, if the project is located within an unorganized territory, the Land Use Regulation Commission (207-624-8551) prior to initiating construction activity.

Sincerely,

Amanda Rector
Review Coordinator
